WYSIWIS

(WHAT YOU SEE IS WHAT I SAW)

In this ebook you will NOT find perfect photos, you won't find perfect colors, perfect retouching, perfect styling, makeup, hairdos, you won't even find perfect lighting. What you will find, is what I saw that day. And to me it was pretty damn near perfect...

In the life of a photographer there is a lot of beauty. But most of the times, since it is what you are paid to do, you create beauty.
Sometimes from scratch.

But there are times when you find beauty. Real beauty. Not only on the outside, but on the inside, all around, in a situation. Those are memorable moments and this is the reason this ebook came to existence.

I hope you enjoy it as much as I did.
